Summas gratias to all the volunteers who made this year's competition possible. If you are interested in serving on the contest committee and/or grading papers next year, please contact Andrew Burrow (Carson Newman University, TN) or Drew Lasater (Mountain Brook High School, AL).

The subcommittee members deserve the thanks of the CAMWS membership as a whole, and the thanks of the subcommittee co-chairs in particular, for their service: Sam Caldis (Brown University, RI), E. Del Chrol (Marshall University, WV), Caleb X. Dance (Washington & Lee University, VA), Karl P. Frerichs (University School, OH), Lindley Henson (Central Magnet School, TN), Caroline Kelly (Mitchell Community College, NC), Kathleen M. Kirsch (University of Mary, ND), and Keturah Kiehl Pratt (Catholic University, DC).

Contest Graders: A very special thanks to the following volunteers who shared their time and expertise to assist the committee in grading papers this year: Mallory Ann Hayes (Hillsdale Classics, MI), Alex Marsh (Milton High School, GA), Brad Savage (Flint Hill School, VA), Nathan Sundt (Veritas Christian Academy, NC).

Additional Information:

- Awards are distributed according to the guidelines found on the CAMWS website.

- In order to make the contest as fair and objective as possible, distribution of papers was randomized and blind, no reader graded his/her own students, and all of the papers were evaluated according to AP-style translation "chunks."

- Names of winners are listed in descending order of performance.
