

**Organizational Meeting for a CAMWS Drama Group
5:15-6:15 p.m. Berkshire**

Sponsored by the Greek, Roman, and Classical Tradition

Drama Working Group.

All CAMWS members interested in the study and performance of Greek, Roman, and Classical Tradition drama are invited to come together to discuss the formation of a new working group that would present a staged reading of a Greek, Roman, or Classical Tradition play at each CAMWS annual meeting and perhaps sponsor an academic panel. All are welcome to come to help visualize the structure, operation, and goals of this new group. Contact Timothy Wutrich (trw14@case.edu) for further information.
