Cum adhuc, inquit, cum prosecutoribus essemus et me pater verbis evertere
cuperet et deicere pro suā affectione perseveraret:
“Pater,” inquam, “vides verbi gratiā vas hoc iacens, urceolum sive aliud?”
Et dixit: “Video.”
Et ego dixi ei: “Numquid alio nomine vocari potest quam quod est?”
Et ait: “Non.”
“Sic et ego aliud me dicere non possum nisi quod sum, Christiana.”
Tunc pater motus hoc verbo mittit se in me ut oculos mihi erueret, sed vexavit
tantum et profectus est victus argumentis diaboli. Tunc paucis diebus quod
carueram patre, Domino gratias egi et refrigeravi absentia illius. In ipso spatio
paucorum dierum baptizati sumus, et mihi Spiritus dictavit non aliud petendum
ab aquā nisi sufferentiam carnis.
Post paucos dies recipimus in carcерem; et expavi, quia numquam experta eram
tales tenebras. O diem asperum: aestus validus turbarum beneficio,
concussurae militum. Novissime macerabar sollicitudine infantis ibi. Tunc Tertius
et Pomponius, benedicti diaconi qui nobis ministrabant, constituerunt praemio
uti paucas horas emissi in meliorem locum carcерis refrigeraremus. Tunc
exeuntes de carcere universi sibi vacabant. Ego infantem lactabam iam inediā
defectum; sollicita pro eo adloquebar matrem et confortabam fratrem,
commendabam filium; tabescebam ideo quod illos tabescere videram mei
beneficio. Tales sollicitudines multas dies passa sum; et usurpavi ut mecum
infans in carcere maneret; et statim convalui et relevata sum a labore et
sollicitudine infantis, et factus est mihi carcere subito praetorium, ut ibi mallem
esse quam alicubi.
