No finer woman ever embraced her bridegroom
in his halls, loving with all her heart
her brother and husband. In like manner
was accomplished the holy marriage
of the immortals Queen Rhea bore
to rule Olympos. Ever-virgin Iris
strews with myrrh-washed hands a single bed
for the sleeping of Zeus and Hera.

The Marriage-Alliance Game

Wives. Lots and lots of wives.
Meanwhile Kleopatra quarreled with Antigonos and, inclining to cast her lot with Ptolemy, she started from Sardis in order to cross over to him... Because of the distinction of her descent Kassander and Lysimachos, as well as Antigonos and Ptolemy and in general all the leaders who were most important after Alexander’s death, sought her hand; for each of them, hoping that the Macedonians would follow the lead of this marriage, was seeking alliance with the royal house in order thus to gain supreme power for himself.
