THE TWENTY-FOURTH ANNUAL MEETING

We present the tentative program of the Twenty-Fourth Annual Meeting of the Classical Association of the Middle West and South, to be held at Nashville, Tennessee, April 5, 6, and 7, 1928. A revised form of the program will be sent to all members in March.

This should be a great meeting. The program is excellent in content, variety, and balance. This is a joint meeting of the whole Association and its Southern Section; therefore there will be no division of interest and the meeting will be a reunion of old friends. Nashville is rather centrally located for our whole territory and is easy of access from all directions. No one who has once experienced Nashville hospitality and a Nashville spring will voluntarily miss a second experience.
