Summas gratias to all the volunteers who made this year’s competition possible. If you are interested in serving on the contest committee and/or grading papers next year, please contact Andrew Burrow (Carson-Newman University, TN) or Drew Lasater (Mountain Brook High School, AL).

The subcommittee members deserve the thanks of the CAMWS membership as a whole, and the thanks of the subcommittee co-chairs in particular, for their service: E. Del Chrol (Marshall University, WV), Caleb X. Dance (Washington & Lee University, VA), Debra Freas (Wellesley College, MA), Karl P. Frerichs (University School, OH), Matthew Harrington (Tufts University, MA), Lindley Henson (Central Magnet School, TN), Aleah Hernandez (University of California – Irvine, CA), Rebecca Moorman (Boston University, MA), Athanasia Worley (Shawnee Mission East High School, KS).

Contest Graders: A very special thanks to the following volunteers who shared their time and expertise to assist the committee in grading papers this year: Jeff Allen (Greenhills School, MI), Claire Bishop (Charlotte Christian School, NC), Tom Cirillo (Montgomery Bell Academy, TN), Leigh Gilman (Sidwell Friends School, DC), Trevor Luke (Florida State University, FL), Alex Marsh (Milton High School, GA), Sarah McDaniels (Berkeley Preparatory School, FL), Brad Savage (Flint Hill School, VA), Will Shearin (University of Miami, FL), Jennifer Sheridan Moss (Wayne State University, MI), Nathan Sundt (Veritas Christian Academy, NC).

Additional Information:

- Awards are distributed according to the guidelines found on the CAMWS website.
- In order to make the contest as fair and objective as possible, distribution of papers was randomized and blind, no reader graded his/her own students, and all of the papers were evaluated according to AP-style translation “chunks.”
- Names of winners are listed in descending order of performance.
