

COMMITTEE FOR THE PROMOTION OF LATIN

The Committee for the Promotion of Latin (CPL) encourages and supports all activities that promote the study of Classics, and of Latin in particular, in- and outside of the schools. Its principal role is to increase awareness, at each educational level, of our Classics community by offering (1) funding opportunities for promotional activities in the schools, (2) help for Latin- / Classics programs in crisis, and (3) an ongoing conversation about how the study of Latin can be promoted best in the field of education.

The CPL offers:

- **Funding Opportunities for the Promotion of Latin at the Schools.** Information on the **Bridge Initiative Grant (BIG)** (\$50-500) and the **Caristia Grant** (up to \$50) can be found at camws.org/cpl/
