

## Let's Learn Latin: A Free Workshop for ES/MS Teachers

Let's Learn Latin will introduce non-Latin teachers at the elementary school and middle school levels to the world of Latin and the ancient Romans through a series of engaging, standards-connected lessons. Teachers get to play the role of students, learning the material through the same activities and lessons that they will be able to use in their own classrooms. Participants will enjoy learning the basics of Latin, by working through 50% or more of a colorful, interesting, kid-friendly text called *Minimus*, richly supplemented by effective and innovative activities to practice the material. Other topics include Latin vocabulary, word roots, and Roman culture and mythology – all of which integrate seamlessly with *Minimus*. No previous experience with Latin is needed!

Participants will receive myriad classroom-ready materials on all topics studied. This full-day workshop is limited to 15-20 non-Latin teacher participants and will be conducted by Ascanius: The Youth Classics Institute. More details about Ascanius and its programs can be found online at <http://www.ascaniusyci.org/>.
