Let's Learn Latin Workshop

Anytime on Friday to see Ascanius in action!

Friday, April 13

9:00 a.m. – 4:00 p.m.

Turquoise Room

The *Let's Learn Latin* workshop will introduce **non-Latin teachers** at the elementary school and middle school levels to the world of Latin and the ancient Romans through a series of engaging lessons. Teachers get to play the role of students, learning the material through the same activities and lessons that they will be able to use in their own classrooms. Participants will enjoy learning the basics of Latin, by working through 50% or more of a colorful, interesting, kid-friendly text called *Minimus*, richly supplemented by effective and innovative activities to practice the material. Other topics include Latin vocabulary, word roots, and Roman culture and mythology - all of which integrate seamlessly with *Minimus*. No previous experience with Latin is needed!

Ascanius is a nonprofit organization dedicated to advancing the knowledge of and inspiring lifelong learning about Latin, Greek, and the ancient Greco-Roman world, especially at the elementary and middle school levels. We offer workshops to introduce children to Classical Studies, scholarships to assist older students in creating their own programs, and publications and a membership program to give teachers the resources they need.
