

The Lost Argonauts: A CAMWS Dungeons and Dragons (5th Edition) Adventure
(GMed by William Duffy, St. Philip's College)

Heracles and Polyphemus were not the only Argonauts left behind in Mysia. There were also a number of.... lesser known friends and family of other familiar Argonauts were also marooned. Will you be able to join your fellow heroes in Colchis, or will you disappear from mythology, and existence, on your attempt to rejoin your partners? May the 20 sided gods be favorable to you.
